Subject: Coated Woven Synthetic Price Increase

Dear Valued RHINOROOF® & TITANIUM® Roofing Product Distributor Customers:

Due to continued rising raw material costs, all coated woven synthetics under the RhinoRoof® & Titanium® brands will receive a price increase of **3 to 5 percent** effective June 1, 2017.

This increase will apply to all **orders placed** on or after **June 1, 2017** and will ship at plants discretion. Orders placed prior to June 1st are subject to review based on quantity. As this late approaches, we will communicate and publish specific increase amounts by product.

Thank you for your business and continued support of synthetic underlayments. Please contact your Area Sales Manager with any questions.

Regards,
