Subject: Price Increase Announcement: Effective 06APR2015

Valued Customers:

Due to increases in raw materials and transportation costs that we have received from our vendors, we are forced to announce a price increase in the amount of 5 to 7 percent effective on all orders received after April 6th, 2015.

Please call your local Sales Representative or myself for pricing in your area.

We appreciate very much your continued support of United Asphalts.

Sincerely,  
Dan Holland, National Sales Manager
