LANDMARK® SERIES
DESIGNER ROOFING SHINGLES
Landmark Series shingles are engineered to outperform ordinary roofing in every category, keeping you comfortable, your home protected, and your peace-of-mind secure.

EXCEPTIONAL QUALITY

Our Landmark Series of high-performance shingles offers three levels of weight and thickness. The heavier the shingle, the more depth and dimension it offers. All three offer the exceptional quality of the industry’s toughest fire-resistant fiber glass base embedded with our color-rich ceramic granules.

LASTING BEAUTY

Within the Landmark Series, you get the dimensional appearance of wood-shake roofing combined with the flexibility of the industry’s most robust color palette. They also come with our exclusive StreakFighter® warranty, protecting your roof from streaking that can be caused by airborne algae.

PEACE OF MIND

CertainTeed’s asphalt shingle warranty is truly in a class all its own. Our enhanced lifetime limited warranty protects against ANY manufacturing defect, including aesthetic defects.
